

Vegan Ckn strips (unbreaded)

Gardein- Canadian, 100% vegan company

Daring –the #1 unbreaded plant chicken brand holding 44.9% market share in the US, according to SPINS. The company focuses on whole-muscle plant-based chicken products, including wings, pieces, and a range of frozen entrees. Daring Foods products are currently available in the US at retailers such as Walmart, Target, Albertsons, Whole Foods, Sprouts, and many more. Mostly vegan with some vegetarian products.

Morningstar- US Corporation Kellanova owns the Morningstar brand. Not a vegan company. All MorningStar Farms® foods are vegetarian, and most Morningstar Farms® foods are vegan. Be sure to look for the Plant Based Food Association (PBFA) logo or the word VEGAN on the package you purchase.
